## CHAMBER BOARD OF DIRECTORS

### CALL FOR NOMINATIONS

**In one of the most dynamic regions in the province, you could have a front row seat on developments**

Rocky Mountain House and District Chamber of Commerce is seeking nominations from members to the Chamber's 2019/2020 Board of Directors. Our Chamber, with over 200 members, is an advocate for the business community, as well as the community as a whole.

Serving on the Board of Directors is an opportunity to acquire firsthand knowledge of business developments within the region and to be part of some exciting initiatives in the coming year that could change the face of our region.

Directors of the Board come from a variety of sectors and each has a different perspective of what is happening in the local and regional economy. They are members in good standing and are elected for a one year term.

The approximate time commitment required for the Chambers Board of Directors is:

- ❖ One 1 ½ hour monthly board meeting
- ❖ Participation on a Chamber committee (one meeting/month) - OPTIONAL
- ❖ Attendance at 3 Chamber events throughout the year

Some of the Chambers current advocacy work includes policy development with Red Deer Chamber of Commerce and Alberta Chambers of Commerce. We are partners with Clearwater County, Town of Rocky Mountain House, Village of Caroline, and Nordegg Chamber of Commerce in regards to the development of a regional strategy for tourism.

If you think that having an influence on your business community is for you, then put forth your name for the Board of Directors with the Rocky Mountain House and District Chamber of Commerce.

All information remains confidential.
